Tuition Costs: - Beginning in 2024-25, the Board of Heart of Mary School has set the tuition rates as follows:

First child - \$4,150
Second child - \$3,050
Third child - \$2,625
Pre-K - \$3,000

10 payments, beginning August 10th through May 10th

Registration Fee: A non-refundable registration fee of \$150 is due to reserve a spot for next.

Note that the Board has folded all other previously charged fees, including technology, and activity fees, into the tuition, which allows families to budget a single payment each month.

Heart of Mary Scholarships: If families need help, scholarship monies are available for deserving students. However, no one comes to Heart of Mary “for free”. Parents must be realistic in understanding that Heart of Mary awards partial financial assistance, and that the responsibility for affording the school rests primarily with the family.
